MILESTONES

In my role at **House of Valkyr Fitness Studio**, I developed and executed lifecycle marketing campaigns that **increased business revenue to $500,000 MXN in the L12M from absolute ZERO,** using paid and organic SM strategies, but most importantly Valkyr was a whole new experience where people could see exercise in a different way.

As founder of this project I have aquired a lot of experience **collaborating with cross-functional teams** whichhas allowed me to drive impactful **growth initiatives** that align with business objectives across different areas.
